

KIENE TIRE LIFTER SAFELY LIFTS MOUNTED TIRES

Lifting heavy tires is awkward and strains your back.

WHAT MAKES THE KIENE TIRE LIFTER A GREAT LIFTING TOOL.

- Perfect Safety tool for the shop or mobile maintenance vehicles
- Easily lifts 22.5 and 24.5 single tire and wheel assemblies
- Effortlessly lifts 300 lb. Super Single tire and wheel assemblies
- Makes lifting mounted tires a safe one man operation
- Take anywhere design
- Hang it on the wall when not in use
- Lightweight and portable - (Only 13 lbs.)
- Back Saver

Folds into a nice compact 49" package

Simple operation:
Unfold the hook and place it under the tire.
Pull the lever back and lift.
Quick, Simple and safe

Great safety tool for lifting mounted, heavy, super singles.

MADE IN THE U.S.A.
